ORGANIZATIONAL DEVELOPMENT

Founder and Director of the Center for Telecommunications Management (CTM), University of Southern California 1985 to 1991. Founded a management center for the telecommunications industry at USC to encourage academic-industry exchange on strategic market issues of the industry. CTM provides executive education, conducts academic research, offers national research grants to doctoral students, organizes research conferences, and publishes research papers and monographs. Its unique activity is Telecom Outlook which provides long-term forecasts on regulation, competition, customers, technology and international events and issues appropriate for the telecommunications industry.

Founder and Director of the Center for Relationship Marketing, Emory University, 1993 to 2001. The Center is a worldwide academic Center for research on supplier, customer, internal and alliance relationship; and organizes academic gatherings, research conferences, contractual

industry research, as well as practice-oriented conferences.

Founder and Chairman, Academy of Indian Marketing (AIM), 2012. AIM is a consortium of 42 management institutes as charter members. Its mission is to encourage and support research publications in top journals by Indian and faculty in marketing. It organizes the AIM-AMA Sheth Foundation Doctoral Consortium each year, hosted by a member institute. It invites world-class marketing scholars to mentor doctoral students and young scholars in India. It also conducts faculty development workshops in specific areas of consumer behavior, marketing strategy, and marketing analytics.
